Which business does Alice's dad own? How might this have a positive impact on Alice's life?

What do Alice and her family do if they are unwell? What is a Quack Cart?

Can you find at least three ways that Alice's life is different or easier than most of the other residents on Disease Street?

Write a diary entry as if you are Alice, after a day at school. Consider her journey to and from school and her meals and leisure time.

Write a letter from Alice to one of her old school friends after she has moved to the countryside. How would she describe the difference in lifestyle?
